

the Hero that  
want to save the  
Captive Princess  
had an idea.

In a world  
made of  
swords and  
magic,

I'm sure  
grimoires are  
tremendously  
difficult  
books...

And, the  
Captive  
Princess  
had a  
realization.

WITCH  
MAGAZINE

The  
Demon  
King  
thought,

"The  
Forbidden  
Grimoire is  
sealed  
inside the  
Demon King  
Castle.

It will  
not be  
handed  
over to the  
humans."

"If only  
I had the  
'Forbidden  
Grimoire',  
I could  
overthrow  
the demons!"

...she  
believed.

"I'm sure  
I can rest  
well if I read  
them before  
I sleep."

**Grimoires...  
are super  
boring....!!**

Okay-  
☆  
Head on in!

would like  
to find a  
book for  
my lower  
book pain...

I allowed that  
the sword  
deliberately in  
order for me  
to use lots of  
animates to  
induce sleep!

No no...  
It's best  
that  
they're  
boring...

Book, Kary means "start" or "find".

But, you know... what would we do if, for example, the Captive Princess was a designated person? The spot would be in danger, right?

Ah, this is pretty relaxing...

No need to worry!

...What do I do now...?

...

Truth is...  
A specific  
sequence is  
needed to  
release the  
seal of the  
"Forbidden  
Grimoire",  
which is  
the most  
dangerous  
grimoire!

First, one  
must head  
down the  
stairs while  
pressing the  
switches on  
it, you know?

And on  
top of  
that, if all of  
the bronze  
statues in  
front of the  
gate aren't  
rotated to  
face each  
other, the  
seal can't be  
released by  
anybody!

And then,  
they must  
break the  
nearby  
pillars...  
huh?

I'm sure that if I read it, I would get so strong, to the point that I'd die!

There's ...

It looks like a pretty dreadful grimoire...

I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years.

Wait! Wait!*

*I can do a lot  
of stuff! I'm  
really useful!*

*うわー  
うわー  
うわー*

I guess I  
can't get  
to sleep  
with this  
book...

*You  
haven't  
had  
enough  
of  
this  
place  
yet!P*

*I want to  
read funny  
books like  
this, like...*

Okay,  
then,  
bring  
me a  
restora-  
tion  
drink  
mixed  
with  
juice,  
and the  
complete  
works of  
Tetsuka  
Ochima.

Here...

*If you  
don't like  
killing  
demons,  
then I also  
have magic  
capable of  
immobilizing  
the entire  
Demon King  
Castle, hm?*

*Are you  
really sure  
about that?  
I can teach  
you grand  
magic, you  
know?*

Ohh...  
But,  
I can  
restore  
your  
MP.

Nanon: This isn't even Mario finding Toad in the castle anymore, it's Mine actually finding the Princess but she doesn't even want to leave...
